TO
United States Bankruptcy Court
Southern District of New York

In Reference to Case No 05-44481

My Name is Dennis Michael Doshkowitz And
I am writing to Answer to Thirty-Fifth
Omnibus Objection about my Claim For
the workman Compensation that was awarded
to me by the State of Michigan Court. I am
only aware of 1 Claim being turned
in by me. IF there is more than one
Claim One is not to be there.

I was awarded Workmans Compensation
because of the Severity of My Injuries
to my hands and wrists after Decades of
Dedicated and Loyal Service to My Company.

After over 15 Surgeries to try to repair
damages I was forced to retire and will never
be able to work again.

As I stated previously in this letter I
am only aware of 1 claim on my
behalf. I will ask for the court to
Disallow one of the claims but
please do not disallow both and stop
my Compensation that my Family
and I so desperately need. I am
still a young man and my
earning ability has been eliminated

by my injuries And I had planned on
working another 15-20 years.

So I ask for the Court to uphold
1 of the claims turned in on my
behalf.

Thank You

Respectfully
